A NOTE FROM OUR EXECUTIVE DIRECTOR:

This year's theme for SONS has been, "New Day, New Way." Of course, the Lord is the same and his message is eternal but our theme reflects the many new things that are happening for the organization. It has been a "New Day" at SONS. We have occupied our "New" building ([55 15th Street](#)) for a little over a year now. This time has been filled with minor but necessary renovations to bathrooms, offices, classrooms, parking lot, and light fixtures, with more extensive projects on the horizon.

Internally we have increased staffing, volunteer recruitment, and programing. What a great time to be a part of something that the Lord is blessing much more than our hearts could ever dream. It's bigger than us!

The "Your Future Now" program introduces students to vocational trades like welding, wood working, culinary, and more. Each of these programs have seen significant growth.

Through our partnership with the YMCA, we have had our largest participation numbers in the basketball leagues. We have also expanded our partnership with them to include Girl's Volleyball. We are also partnering with Major League Baseball to host a "Pitch Hit & Run" event this summer with winners competing at Comerica Park.

Our after-school and summer programs, funded by the Michigan Department of Education, have reached close to 300 children and teens in the community so far! We also look forward to sponsoring 20 students for this year's trip to Camp Beechpoint, a faith-based summer camp for youth.

With so much happening, we are grateful and committed to continuing to prayerfully seek the Lord's guidance, wisdom and inspiration moving forward.
